Beloved Hathor, Goddess of the Heart, Goddess of Love, Beauty, and Pleasure. Patroness of the Arts, you who represent everything that makes life enjoyable, beautiful and gracious. Goddess of fertility and marriage, you who are known as the great protectress of women in all their roles, mother, wife, sister, and daughter.

Your name, in the Ancient Egyptian tongue means the '*House Above*' and the '*House of Horus*'. You are the daughter of Ra, Goddess of the Sky and Queen of Heaven. The star Sirius is sacred to you just as it is also sacred to Isis. You are the gentle and loving aspect of the Goddess Sekhmet.

You are known as "Lady of the Two Lands" because you have unified upper and lower Egypt as one land.

Great Sekhmet, Beloved Hathor you are two twin aspects of the same Goddess, Hathor the Goddess of love and fertility and Sekhmet the Goddess of protection and fire.

Great Sekhmet, Goddess of Healing, Goddess of Fire, you embody the fierce, protective instincts of a lioness and the nurturing, healing aspects of a mother.
