

Higher Light Decree: Goddess Isis / Healing the Pain Body

Invocation...

I call upon God/Goddess All That Is. I especially call on the aspect of the Divine we know as Mother-Goddess Isis to be present during this decree. I call upon my OverSoul, my Higher Selves, and Teams in Spirit of the highest light and resonance to witness, assist, and activate this decree. I call upon my Body Elemental, my Deep Ancestors, my Star Family across the Universe, Archangels of the horizontal and vertical planes, Recording Angels of the Akashic Records, Angels of Light, Angels of Healing. I call upon Cosmic Christ Consciousness and the Christ Grid, and all Ascended beings within that grid. I call upon and invoke the Crystalline Grid of Gaia and all Angelic beings within that Grid. I call upon all this help to witness, assist, and activate this decree.

Waterfall of Light...

Goddess Isis, Higher Self, Beings of Light, I request now a waterfall of clearing and cleansing crystalline violet and ultraviolet light to be initiated, flowing down and clearing my energy fields.

I request this be followed by a waterfall of crystalline diamond-white light, flowing down and clearing my energy fields.

I request this be followed by a waterfall of gold light, flowing down and clearing my energy fields.

I ask that this waterfall of violet-ultraviolet-white-gold light continue throughout this decree.

Great Goddess Isis, I call on your Universal intelligence, love, light and power. You are a Divine aspect of Universal Intelligence, of the Absolute, of God/Goddess All That Is. Your power rises with the bright star Sirius. Lady of light, lady of healing, lady of magic, lady of mercy, lady of amber skin, you are clothed with the light of the sun, upon your head a crown of twelve stars. You who are the bright gate of light in darkening skies. I call

upon you for healing and justice. By all the magical names of old I call to you.

Beloved Goddess Isis, pain is a feature of this 3D World though pain does not need to become suffering. I invite you Great Goddess Isis, to hold me and protect me as I heal from all manifestations of the pain body. Weave your light of healing and awakening around me and through me to the very core of my being. Clear anything binding me to the ongoing experience of needless suffering. Guide me through this powerful healing and transformative process, help me restore a complete sense of personal sovereignty and freedom. Assist me in breaking free of any form of limitation that causes needless suffering. Assist me in moving forward in ease, joy and grace for this is the new paradigm of growth. Assist me in activating and opening the full range of my bliss body.

General Release...

Goddess Isis, Higher Self, Beings of Light, I declare that I am a free sovereign being. Even though it is the nature of the soul to explore many different facets of life including pain, I now choose to grow through ease, joy and grace. Assist me in absorbing and understanding any important lessons of this present life so that all pain and suffering I am carrying can be fully healed and brought to a space of completion in all its layers, levels and dimensions. I ask for a complete clearing and removal of any energy, imprint, program, impediment, limitation concerning the experience of pain and suffering absorbed from any family member, including any loved one I have wished to take the pain and suffering away from. I ask for a complete clearing and removal of any energy, imprint, program, impediment, limitation concerning the experience of pain and suffering absorbed from any family argument, family conflict, or any silent tension within the family. Including any pain and suffering absorbed by my inner child and inner adolescent. Include any pain and suffering absorbed due to the loss of a family member, or due to the loss of a family pet.

I ask for a complete clearing and removal of any energy, imprint, program, impediment, limitation concerning the experience of historical pain and suffering of women. I ask for a complete clearing and removal of any energy, imprint, program, impediment, limitation concerning the experience of historical pain and suffering of men. I ask for a complete clearing and removal of any energy, imprint, program, impediment,

limitation concerning the experience of pain and suffering absorbed from the human collective, or any racial or national group, or any point in history, or any place such as a battlefield. I ask for a complete clearing and removal of any energy, imprint, program, impediment, limitation concerning the experience of pain and suffering of any historical or religious figure such as the Christ, any of his apostles including Mary Magdalene. I ask for a complete clearing and removal of any energy, imprint, program, impediment, limitation concerning the experience of pain and suffering absorbed from the pain body of the planet, from Gaia herself. I ask for a complete clearing and removal of any energy, imprint, program, impediment, limitation concerning the experience of pain and suffering absorbed from the pain of the mineral kingdom, the pain of the oceans, the pain of the vegetable kingdom, the pain of the plant kingdom, the pain of the animal kingdom.

I ask for a complete clearing and removal of any energy, imprint, program, impediment, limitation concerning the experience of pain and suffering I may be carrying from lost civilisations such as Lemuria and Atlantis. Include any galactic pain I may be carrying including the pain of galactic war and the pain of the destruction of planets.

I ask for a complete clearing and removal of all of this across all time and space, clearing and removing anything bleeding through from another lifetime space, clearing and removing anything bleeding through from my family and ancestral lines.

I ask for a clearing and removal of any limiting etheric/energetic structures in my field that seeking to bind me to the ongoing experience of pain and suffering.

Goddess Isis, Higher Self, Beings of Light, assist me in absorbing and understanding any important lessons of all relevant other lifetime experiences so that all pain and suffering I am carrying can be fully healed and brought to a space of completion in all its layers, levels and dimensions.

Do this clearing through all minds, bodies, timelines, incarnations, and universes. Down to the cells and DNA. Completely and 100% removing anything that would seek to recreate any of this. Then filling all void spaces with light, with love.

Negative Agreements...

Goddess Isis, Higher Self, Beings of Light, I declare that I am a free sovereign being. Even though it is the nature of the soul to explore many different facets of life including pain, I now choose to grow through ease, joy and grace. I hereby now renounce all agreements, contracts, vows, promises in the Akashic Records that have been made that reinforces the need to grow through any unnecessary form of pain and suffering. Clear any such agreements being held at the soul level, clear any such agreements being held in my unconscious mind. Clear any agreements made with any individual or group. Completion...

Goddess Isis, Higher Self, Beings of Light, bring to completion each separate aspect of this decree and all interconnected aspects to 100% done through all layers and levels of my Akashic Records, across all time and space, all timelines, lifetimes, levels of my being.

Bring my physical body and all energetic bodies to a space of completion. Allowing this clearing to bring a great opening to growth through ease, joy and grace in my being.

Thank you for this blessing of clearing. I ask that you end this decree with a more intense waterfall of violet-ultraviolet-white-gold light through all of my energy fields.

Upgrade each statement to the highest vibration possible for me at this time. Do all of this in accordance with the cosmic laws of love and light for the maximum benefit of all involved.

Many Blessings
